

# PLAYOFF TICKET POLICY AND ORDER FORM

## OPTION 1: Pay as the Spits Play Package

This option allows season ticket holders to pick up all playoff tickets in advance. This helps avoid ticket lines by eliminating the need to come to the box office multiple times to purchase tickets and saves you money throughout the playoffs. This option is limited to credit card payment only. Season ticket holders who choose this option will only be charged as games in each round are guaranteed to be played, eliminating the need for refunds and credit rollovers as in previous seasons.

By submitting the order form below with credit card information and signature, the season ticket holder agrees to have their credit card charged for every game played throughout the 2016-2017 playoffs.

The card will be charged once a game is guaranteed to be played. Please note season ticket holders may not opt out of any games guaranteed to be played

upon choosing this option. The deadline for ordering this package is Friday, March 10, 2017. Season ticket holders who purchase the **Pay as the Spits Play Package** in person at the Velocity Injury Law Box Office and those who mail in the order form below will be notified by phone when their tickets for all 16 games are available for pick up. Mail-in order forms must include credit card information.

## ADDITIONAL PLAYOFF TICKET PURCHASE

All season ticket holders who want to purchase additional playoff tickets (outside of their currently owned seats) will have the opportunity to purchase up to 2 additional seats during the season ticket holder on sale period for each game, prior to the public. The Windsor Spitfires reserve the right to refuse this privilege on a game by game basis as deemed necessary.
